GERMAN GIRL GIVES TALK TO PUPILS

Facts on Germany were given to C. J. Levine's class at Steele School last week by Brigette Sigel, exchange student at North High.

Brigette told about her native Germany and showed slides.

Members of the fourth, fifth, and sixth-grade class learned Germany is a beautiful country, not a bombed-out wreck; that German teachers probably are not more strict than those in America; and that German students learn two foreign languages besides their own.

FHA Reports Interest Rates Up on Homes

Norman M. Lyon, director of the Los Angeles FHA office yesterday received word that interest rates on conventional first mortgages averaged 6.1 per cent Oct. 1 compared with 5.9 per cent July 1, and 5.65 per cent a year ago.

The latest averages ranged from 5.85 per cent in the Northeast and Middle Atlantic areas to 6.5 per cent in the West.

Builders' plans for home construction were declining Oct. 1 in about one-fourth of FHA insuring cities for low- and high-priced homes, and in almost one-fifth for moderate-priced homes.

The average time of sale of new homes after completion is about the same as a year ago, except for a slight improvement for low-priced homes. Selling prices for new and existing homes in all three price groups were reported rising in more areas than a year ago.
